To The Secretary to the Government of Madras,
Public Works (Marine) Department.

Sir,

I have the honour to state that the collections on account of the Minor Ports Fund at Coondapur Port are accumulated upto Rs.50 in accordance with Rule No.6 in the Annexure to G.O.No.358, Public Works Department (Marine) dated 28-2-1938.

(F)

On the introduction of the Landing and Shipping Fees Act at that port from the 15-11-39 the collections on account of both the funds (Minor Ports Fund and Landing and Shipping Fund) are anticipated to exceed the above limit necessitating thereby almost daily remittances.

The

The remittances are sent to the Coondapur Sub Treasury through the only peon attached to the office across Ganguli river extending over 6½ furlongs in width in a public ferry boat. As the ferry - boat cannot always be available at the time the peon requires it, he has to wait for an opportune time it can be available both ways. The peon's time will thus be fully occupied in taking remittances to the Treasury and bringing the receipted chalans and the Port - Conservator will be deprived of the utility of the peon in rendering y menial service in the office in his absence on Treasury duty. e Port Conservator accordingly requests the enhancement of the mit for accumulation of Port collections from Rs.50/- to Rs.100/-.

The Port Officer, Mangalore recommends the accumulation of the ollections on account of both the Minor Ports Fund and Landing and hipping Fund up to Rs.100/- analogous to the orders issued in G.O. o.48 Finance (Marine), dated 28-1-1935 in respect of Malpe Port.

Remittances at Malpe port are made when Port fund collections exceed Rs.50/- when the Landing and Shipping Fund and Minor Ports Fund collections together exceed Rs.100/- and there has been no audit objection to the above procedure.

I agree with the recommendation of the Port Officer, Mangalore and request that Government will be pleased to accord sanction to the above proposal.

I have the honour to be,
Sir,
Your most obedient servant,
